INDIANA UTILITY  
REGULATORY COMMISSION

CAUSE NO. 42359

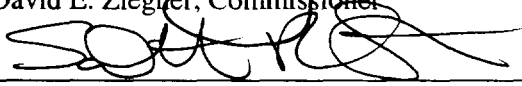

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") caused the following entry to be made in this Cause:

On February 28, 2005, PSI Energy, Inc. ("PSI") filed a *Motion for Extension of Time to File Real Time Pricing Collaborative Report* ("Motion") in the above captioned Cause. In support of its Motion, PSI stated that despite due diligence by PSI and the Collaborative parties more time is needed for the parties to work toward an alternative RTP proposal. In addition, PSI indicated that its Real Time Pricing Standard Contract Rider No. 21 is currently scheduled to expire on March 31, 2005. Therefore, to accommodate this extension, PSI proposed that Rider No. 21 be revised to change its current termination date of March 31, 2005, to June 30, 2005, or prior to that if it is superseded by a newly approved RTP Rider.

On March 2, 2005, The Presiding Officers issued a Docket Entry which granted the Motion and inadvertently indicated that the RTP Collaborative Report should be filed with the Commission on or before **June 30, 2005**. The Presiding Officers hereby modify the March 2, 2005 Docket Entry to reflect that the RTP Collaborative Report should be filed with the Commission on or before **April 29, 2005**.

**IT IS SO ORDERED.**
